Subject: Appeal for Vehicle Pass Balloting Result

To the Student Representative Council,

I am writing this letter to appeal for the vehicle pass balloting result and kindly request the department to reconsider by granting me the vehicle pass. I hope this letter can tell more about my circumstances faced without the vehicle pass.

First of all, the main reason that I appeal this vehicle pass is because the place I live is far, which is approximately 20 kilometers away from the Tunku Abdul Rahman University of Management And Technology. If I do not have this vehicle pass, I have to leave home earlier to find parking outside. However, mostly I could not find parking outside and was forced to park far away from campus. In this case, I might be late to campus and affect my studies.

Next, public transportation from my town to the Tunku Abdul Rahman University of Management And Technology is inconvenient. The nearest train station is KTM Batu Caves, which needs a 15 minutes drive away, and also needs to change to another train line, which is LRT. It wastes time and money. Not only that, the train is unreliable because sometimes the LRT will be out of service.

In addition, I would like to introduce my friend, Yap Wei Sheng (24WKR08714), who lives near to my house. Having this vehicle pass allows me to provide transportation for him, reducing the chances of him getting late to classes since I can fetch him to the university.

Considering the factors that I mentioned above, I would like to request your understanding and reconsider my appeal for the vehicle pass. With this vehicle pass, I can solve many issues that I

faced in transportation and help my friend to the university more easily. Thank you for your attention. I appreciate your consideration of my appeal.

Sincerely,  
Wong Wai Kin
